This Month We Will Learn "The Basics of Grading"!

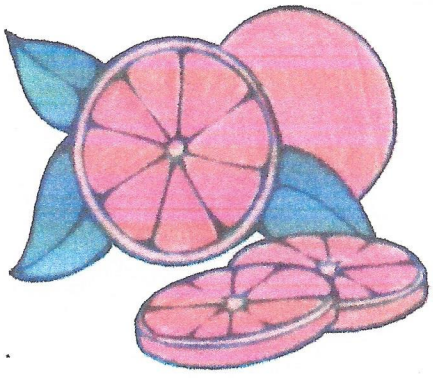
Bring your Coins, a Magnifier or Loupe and your questions! This is an educational program that will help you learn the true value of your coins. Mark Baskin will be our educator. He will teach us what to look for and what not to find on a coin.

Do you know the difference between a "Large Date and a Small Date"? What is a Bag Mark? How can you tell what metal a coin is made from? What's the difference between a well struck coin and one that has a weak strike?

We invite you, your friends and family to come visit our meeting and enhance your knowledge of Numismatics!

Refreshments will be provided by Bob Dix.

We meet this month on March 15, 2023 at 6:30 P.M. at the Clubhouse (address above).



Speaking of Birthdays, I want to wish my Better Half a Very Happy One on the 25th!

All chances cost a dollar each.

Last Month's Meeting: 25 people attended the meeting. John Plaia updated us on many upcoming Coin Shows and also on Jade's Birthday. I mentioned that tomorrow will be Steve and my 38th Wedding Anniversary. Membership Drawing was won by Jon Love. National Coin Week is in April. The ANA will have a special prize for those doing Exhibits.

Our Program was on "The Minting Process". Our speaker was Al Arnold. He talked about the Hand Press being used and the changes the Steam Press brought to the minting process.

We had nine participants in Show & Tell.

The Auction was conducted by Mark Baskin and John Plaia was the runner.

There were eleven winners in the Door Prize Drawing. Dennis Rocklein won the Gold 2 Peso coin.

My thanks to all that helped during & after the mtg.!
